Dear Friends in Conservation,

We here at the Pointe Mouillee Waterfowl Festival appreciate your valued support. Only through the dedication and effort of businesses and individuals like you are we able to put on such a great show and continue such a wonderful tradition. With your help we will continue to raise funds to support the largest freshwater marsh restoration project in the North America. Please consider making a donation of product to our event raffle, or a monetary donation to the festival itself. These generous gifts will be used to maintain and improve this extremely important natural resource, and provide for the future of this event. Also, if you are interested in doing an event seminar, or a product demonstration on the water, we are now able to accommodate this at our event. Please contact me if you are interested.

Thank you for your support,
Bob Kemper, Trading Post Chair Person
